

ESM Campus Dining Guidelines

ESM member must be entered into Aloha loyalty database to participate, and program is monitored for abuse down to each member's transaction via their personal CAC. Potential abuse will be reported to member's Commander for review and is subject to action under the Uniform Code of Military Justice (UCMJ).

Entitlements

We listened to you and improved our "Customer First" Program!

Member is entitled to three meals per day, and a meal is defined as the amount of food typically consumed in a single setting.

For convenience, **member may now select up to two meals to be consumed dining in or for carry out during one visit at DFAC or POD.** Member just needs to inform cashier which meal is for now and which is for later. It's that simple.
